CODING & OUTDOOR TEAM ACTIVITIES**

**RUN BY FULLY TRAINED TEACHERS ■ TEAMWORK SKILLS ■ STEM ■ FOR KIDS AGED 7 - 12**

**QUORN  
SYSTEM**

**BE QUICK...  
LIMITED  
SPACES**

## We like **MINECRAFT**

Our clubs use the *education* version of **Minecraft** to ensure that children can work together in a controlled environment. This adds activities and tasks into the hugely popular game and promotes **teamwork**.

We can do everything from changing the weather and switching off zombies to exploring historical places and dealing with an erupting volcano.

## We like **CODING**

Each day students will also get a solid chunk of learning how to code. We use great tools like **Code Studio**, **Scratch**, **Snap** and **Thimble** to get kids understanding principles like algorithms and computational thinking.

We also aim to get kids outdoors for **computing-unplugged** activities.

## We like **OUTDOORS**

On days where the weather allows we will aim to **get outdoors** for a range of related activities including group build projects, exploration, bug-finding, developing algorithms and team sports. These activities are designed to extend learning about teamwork to outdoor activities and also to get off the computers!

**Please note that outdoor activities are weather dependent.**

ALL ABOUT TEAMWORK, CREATIVITY & CODING

**£5 DAILY DISCOUNT FOR 2+ SIBLINGS**

**8.30AM TO 3.30PM EVERY DAY**

**SUITABLE FOR BOYS & GIRLS AGED 7 - 12**

**LOTS OF GREAT TECH TO TRY OUT & PLAY WITH**

## WHEN & WHERE?

7 - 11 Aug ■ 14 - 18 Aug

**SYSTON** St Peter & St Paul Academy  
Upper Church Street, Syston, LE7 1HR

**QUORN** Rawlins Academy  
Loughborough Road, Quorn, LE12 8DY  
Watch our Facebook page and website for updates.

All children booked on a course will need to bring a packed lunch each day with plenty to drink and have suitable footwear for any planned outdoor activities at the venue.

## WHO ARE WE...

**New Ways to Learn** are fully qualified teachers and senior leaders. We bring the coolest things the world of tech can offer and introduce them to schools. All facilitators are DBS checked. **Oh yeah, and did we mention, we love Minecraft!**

**£30 PER CHILD PER DAY**  
**OR JUST £125 FOR THE WEEK**
